## ALEPPO'S EIGHTH ANNUAL CIRCUS At Boston Garden Oct. 11 Thru Oct. 17

**Chairman R. G. Wilson, Jr. Announces World's  
Outstanding All-Professional 3-Ring Circus**

**T**HE latest, newest, and biggest circus acts in the entertainment world will thrill audiences daily at Aleppo Temple's Eighth Annual Shrine Circus this year at the great Boston Garden during the entire week commencing Monday, October 11 through Sunday, October 17, according to Judge Wilson, Chairman of the Circus Committee and Colonel Robert H. Morton of the Hamid-Morton Company.

Assuring a maximum of big days for the children, performances will not only be given every afternoon except Monday and Thursday, including Columbus Day, but also a complete morning show starting at 10:30 A.M. on Saturday. There are trained dogs, ponies, horses, seals, chimpanzees, elephants, lions, and clowns for the young folks, startling thrills for the older folks, and entertainment for all.

A special effort has been made this year to provide an unusual number of features absolutely new to Boston. There are the *Four Valentines*, America's new comedy aerial bar act, as well as the *Loof Rio Brothers*, a new feature from Belgium introducing a complete breakaway known as the Whirl of Death. There are the *Norbertys*, a thrilling French aerial sensation of a unique type just introduced from Europe, as well as the *Therons*, seven of Europe's greatest bicyclists now brought to this country from France for the first time. *Ira Watkins and Company* introduce the four marvellous trained Chimpanzees.

Other outstanding acts include *Les Idalys*, most thrilling aerial sensation of all Europe and a headline feature in the 1947 Ringling show, a return of *Toland Teibor's Famous Seals* last seen in our own 1946 production, *Buschbom's Horses*, an elephant act including the smallest elephant in the world, *The Flying Romas*, the *Wards*, Jungle Bred Lions, clowns, trampoline performers, and beauties of the ballet.

But the real climax of this year's production is a genuine double-barrelled finish that will feature two of the most outstanding and thrill-packed acts to be found anywhere in the entertainment world today —

*Miss Francine Volante*, never before seen in Boston, and *The Great Zacchinis*, an act publicized this past year in *Life*. *Francine Volante* offers a special thrill feature, replacing two other performers who attempted the same death-defying feat without living to tell the tale! Last year we introduced Miss Victory, the only lady in the world shot from the mouth of a monster cannon. For 1948 we bring to Boston the newest and most startling sensation of the Circus World — the Double Repeating Cannon! Not one, but two human beings, shot at the same time, from the same cannon, and passing in mid air high up in the Boston Garden!

In short, Aleppo's 1948 Circus is an all star show that sells itself. Again there are no lotteries, chances, drawings, free radios, television sets, refrigerators, or new automobiles given away. We sell our Circus wholly on its merits as the best indoor all professional circus in America. Since 1941 our Circus has assured Aleppo Temple, and the Shrine, more favorable publicity and friendly comment than any other Masonic activity in New England.

The continued generous support by the Nobility of Aleppo Temple has been deeply appreciated by the Committee. Donations of tickets have again assured thousands of underprivileged children from less favored homes seeing the performances at special matinees as guests of our members and friends. But this year the Committee urgently requests YOU to enjoy a few hours of old-time pleasure, with friends and neighbors, at this public function of our Temple which is a real credit to Shrinedom.

**SPECIAL SHRINE NIGHTS**, on Monday, Tuesday, and Friday evenings, will be featured by parades of all the **UNIFORMED UNITS OF ALEPPO**, headed by the officers of the Temple, officially to open the performance.

The presence of our Nobility and their families can add greatly to the ceremonial pageantry of our 1948 Aleppo Shrine Circus especially on these nights.

## IMPERIAL POTENTATE GALLOWAY CALHOUN CEREMONIAL

**NOVEMBER 16 MEETING NAMED  
FOR NO. 1 SHRINER**

**T**HE big Fall meeting of Aleppo Temple, to be held Tuesday, November 16, has been designated by Acting Potentate Frank B. Ells as the "IMPERIAL POTENTATE GALLOWAY CALHOUN CEREMONIAL."

Assured of the presence of the No. 1 Shriner of North America, who is coming to Boston to witness a Shrine Ceremonial "Aleppo Style," Illustrious Noble Ells has proclaimed a Shrine holiday in honor of the Imperial Potentate and requests that all Nobles of Aleppo make their plans now to be present and assist in giving our Illustrious Guest from the State of Texas a grand and glorious welcome to our Oasis.

Preparations are already being made by the officers, uniformed units and working committees to make this an outstanding Ceremonial. Special drills by the Aleppo Arab Patrol, new musical arrangements by the Shrine Band and new and unique stunts by the Degree Staff are being organized for this occasion. But one of the biggest items necessary to put this event over the top is a large class of candidates. There are many eligible prospects in our jurisdiction who are awaiting an invitation from you, Noble. Invite them now. Give them an opportunity to be one of the members of the big "Imperial Potentate's Class," an additional honor they will always cherish as a Shriner.

How many candidates will you propose for this Ceremonial, Noble? If you wish petitions or assistance in signing up your prospect, contact your Recorder at once. He is at your service.

Let's go, Nobles, and make Tuesday, November 16, a big "red fez" day for Aleppo.

## Shrine Luncheon Speaker

STATLER HOTEL, BOSTON, FRIDAY, OCTOBER 15

Senator from Massachusetts to address Nobles  
on "Where Do We Stand"

ONE of the nation's outstanding leaders today and a prominent figure in our national capitol, Honorable Leverett Saltonstall, United States' Senator from Massachusetts, has accepted the invitation of Acting Potentate Frank B. Ellis to be the guest speaker at the coming Fall Luncheon of Aleppo Temple to be held in the Imperial Ballroom of the Statler Hotel, Boston, Friday, October 15, at 12:30 p.m.

A Noble of Aleppo Temple, Senator Saltonstall is taking the time to come from his busy Washington office and bring to his fellow Shriners in Massachusetts, a stirring message on "Where Do We Stand?"

A graduate of Harvard College in 1914 and Harvard Law School in 1917, the Senator served as Assistant District Attorney of Middlesex County for 1921 and 1922. His long career in public office in our Commonwealth began in 1923 when he served as a Representative in the State Legislature, an office he held for fifteen years, the last eight of which he served as Speaker, a Bay State record, unexcelled.

Senator Saltonstall has held many city and state offices in the past 25 years, serving as Governor of the Commonwealth for three consecutive two-year terms, from 1939 through 1944. His administration as Governor was noted for efficiency and economy and was high-lighted by the all-out participation of Massachusetts in the war effort. In his final year on Beacon Hill he set in motion an extensive program for post-war reconversion.

On his inauguration as Governor in 1940 he was faced with the highest debt in the history of our Commonwealth and on leaving office at the end of 1944 he left the Commonwealth with its lowest debt in the present century.

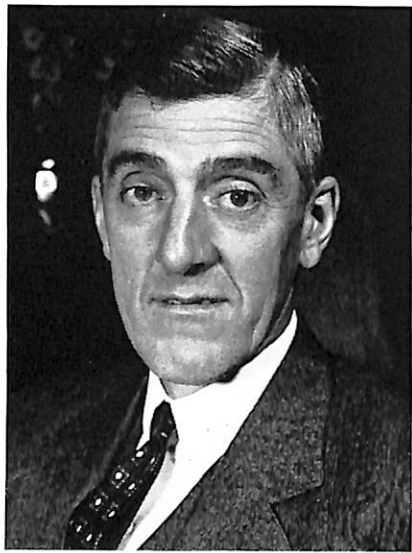

Senator Saltonstall was elected to the United States Senate from Massachusetts in November, 1944, carrying the state by the largest majority ever given a candidate for a state-wide office. He was elected to fill the unexpired term of Henry Cabot Lodge, Jr., resigned, in January, 1944.

The usual large number of door prizes will be distributed at this luncheon. Donations of prizes will be gratefully accepted and proper credit given.

Don't miss this Fall Luncheon of Aleppo,

Noble. Come to the Statler Hotel Friday, October 15, and hear a stirring address by our distinguished statesman. Honorable and Noble Leverett Saltonstall, United States Senator from Massachusetts.

This luncheon, like those in the past, will start at 12:30 and adjourn at 2:00 p.m.

HON. LEVERETT SALTONSTALL  
United States Senator from Massachusetts.

### 1949 IMPERIAL COUNCIL SESSION IN CHICAGO, JULY 19-20-21

The Imperial Potentate has announced that the 75th annual Imperial Council Session will be held the third week in July, 1949, at Chicago, with Medinah Temple acting as host. This session will be the Diamond Jubilee and Imperial Potentate Calhoun believes it will be the greatest Shrine convention ever held.

Medinah Temple has already appointed committees to operate the Convention for the entertainment of the Nobility of North America.

Past Potentate Joseph A. Downey of Medinah has been designated as Director General of this session. He is already receiving requests for reservations from Temples intending to make this pilgrimage.

### MESSAGE FROM "DEEP IN THE HEART" FROM IMPERIAL POTENTATE CALHOUN

FROM "deep in the heart of Texas," and from deep in the hearts of the Calhouns come boundless thanks to the 693 Representatives to the Imperial Council, and to the 551,895 Shriners for whom they acted in permitting me to serve in the highest office in Shrinedom. Under the guidance of our Father in Heaven, my humble prayer is that I may prove worthy of this great trust. Together, let us work diligently, that our Order will grow in magnitude and magnanimity.

Deep in the heart of every Noble is the desire for light, for improvement, for progress. Kindled in the Lodge, with added brilliance in the Consistory and Commandery, we behold the bright magnificence of fraternal light and labor in the Shrine. Our glittering regalia and thrilling pageantry reflect the lights of love and brotherhood that shine in our hearts and in our deeds. These lights are held aloft by Nobles of the Mystic Shrine as beacons in a darkened world.

Deep in the heart of every child now in our Shriners' Hospitals for Crippled Children or who have gone forth with cure from our Temples of Baby Smiles there is a prayer of deep thankfulness for you, the Shriners of North America. Their burdens have been lightened; their paths have been smoothened; their souls have been lifted; their spirits have been brightened; because you have shown your love for "the least of these." Their crippled limbs and spines are straightened as they rise and call you blessed.

Deep in the heart of every Noble of the Mystic Shrine is the determination that the light of Liberty shall remain undimmed by those whose ways and motives are dark and defiled. The slaves and servants of darkness must be exposed to the light of public opinion. Freedom's holy and kindly light must over-shadow the consuming glow of the firebrands wielded by the enemies of American principles, sacred to us all. Let us, therefore, return to the holy altars of Freemasonry, whence comes Masonic light, and there rededicate ourselves to the principles for which Masonry has ever stood, the basis of the highest type of good citizenship. Verily, let there be light!

When falls the gavel which will open the next Imperial Council Session in its 75th annual meeting, we will be commemorating the diamond anniversary of the formation of this Imperial Council. Throughout the year let us give of our best to God, to country, and to humanity, climaxing a year of great accomplishment with our diamond Jubilee.

Simply and sincerely we express our heartiest appreciation. Your help is needed; your assistance is invited; your suggestions will aid me to perform the important functions of the office of Imperial Potentate. The Calhouns thank you.

Sincerely yours in the Faith,

GALLOWAY CALHOUN,

Imperial Potentate.

### HAVE YOU JOINED THE CIRCUS DADDY CLUB? YOU CAN BE A "DADDY" TO SOME LESS FORTU- NATE YOUNGSTERS BY SENDING THEM TO OUR BIG ANNUAL SHRINE CIRCUS AS YOUR GUEST.

THOUSANDS of Nobles are again this year, as in the past, showing their enthusiasm for the 8th Annual Aleppo Temple Shrine Circus in Boston Garden, through the purchase of tickets as well as their desire to become a Circus Daddy by returning to the circus committee, tickets they have purchased, to be used by underprivileged and orphaned children to attend this big all professional 3 ring circus.

You can remember, Noble, how as a kid you thrilled at the sight of a circus. The youngsters today are just as anxious to see the animals and the acrobats and eat popcorn and peanuts. While we are in a changing world, the big Hamid-Morton 3 ring circus with its happy clowns and pompous pachyderms are still as great and glorious to the kiddies today as they were when you were young.

So, if you haven't joined the Circus Daddy Club, Noble, do so now and get the thrill that comes from being the sponsor of some of these deserving youngsters who would never see a big circus if it were not for the thoughtfulness of the Nobles of Aleppo Temple. You will get an additional thrill if you attend the circus yourself and see these kiddies enjoying the time of their lives as guests of your Circus Daddy Club.

In order to become a member, it is only necessary when making returns on your circus membership book to return to the committee, six or more tickets, each one of which will send two youngsters under twelve years of age as your guests.

Do it now and let's send another 25,000 lesser privileged children to the Shrine Circus again this year. You'll feel better for the act, Noble.

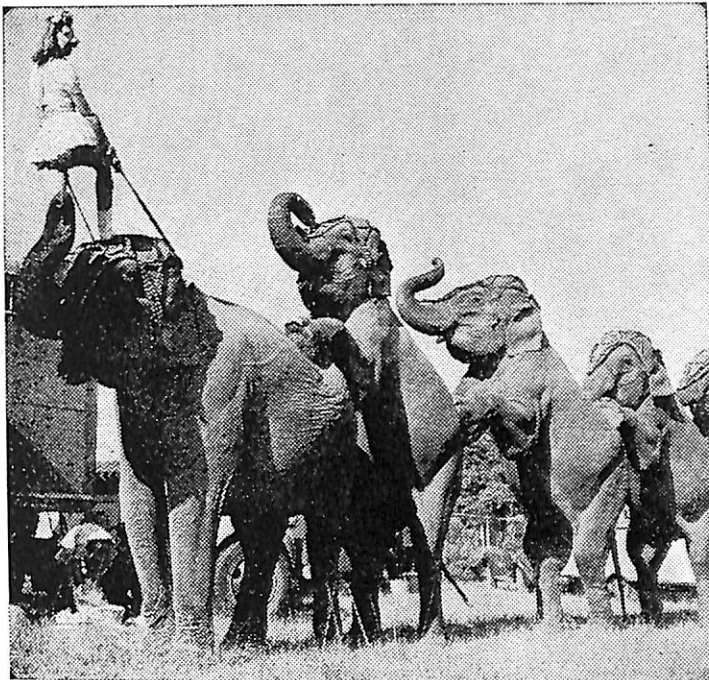

The following is a list of the Nobles who have joined our Circus Daddy Club since the printing of the list of Nobles who started the ball rolling last month.

Is your name listed among the members of this Daddy Club? If not, join up now and don't wait until it is too late.

The kiddies are waiting for you! Don't let them down.

HAMID-MORTON CIRCUS elephants, giant pachyderms appearing at each of the 13 performances of the Aleppo Shrine Circus.

General Chairman Wilson announces a double-barrelled climax at the eighth annual circus. Not only will the great ZACCHINIS in their double cannon act thrill the audiences but as a special climax, MISS FRANCINE VOLANTE will perform her death-defying aerial feat diving 20 feet from a platform 90 feet in the air to a swinging trapeze, without the aid of a net. ACCLAIMED THE GREATEST THRILL IN CIRCUSDOM.

**BACK** to the First Corps Cadets' Armory again for our weekly drills, after several years in the Cambridge Armory, and a schedule that runs from October 1, right through to Christmas.

Several members of the Patrol have recently been installed as presiding officers in their subordinate bodies. These include John Naylor, Eminent Commander of Gethsemane Commandery (installed by Em. Harold Burr); George LeGrow, Eminent Commander of Palestine Commandery and Forest Ward, Illustrious Master of Melrose Council, R. and S. Masters.

Anthony Schumann was installed Excellent High Priest of St. Matthew's Chapter, September 13, by R. E. Alexander Campbell. Ex. George Weeks acted as Marshal and the members of the fourth platoon attended the ceremonies. District Deputy Grand High Priest Karl Reece and Captain William Sharpe also graced the occasion. Lieutenant William Odell presented the newly installed High Priest with a gift in behalf of the members of the fourth platoon.

Ill. Alexander Campbell, Grand Captain of the Guard of the Grand Council, installed the officers of Salem Council, R. and S. Masters, September 22. He was assisted by Ill. Forest Ward as Marshal.

And now for an all out effort, rallying around Gardiner Wilson for the best and biggest circus ever.

## ARE YOU A SHRINER?

A SHRINER is a Noble fellow, with just a little more fun in his soul than the man who has not experienced the fellowship of this great organization.

A Shriner is a fellow whose heart is bigger than the average because he has learned that there is great spiritual satisfaction in helping those in less fortunate circumstances.

A Shriner is a good citizen because he has civic pride and recognizes his responsibility in the community in which he resides. He is honest because he knows the value of having an unsullied reputation for integrity. A Shriner has a clean tongue and a clean mind because he knows they are essential to high character. He wears a bigger smile than most folks because he enjoys the fellowship of his fellow man.

A Shriner respects all religions and races because he despises intolerance in any form. A Shriner is patriotic because he has a deep-rooted love of his country and its institutions.

A Shriner is courteous and thoughtful because he is primarily a gentleman at all times.

A Shriner is a MAN — proud of and loyal to his order. Are you a Shriner?

## SHOULD YOU REMOVE YOUR FEZ?

THE question of removing the fez during certain parts of the ceremonies in a Shrine Temple, as well as during public parades and programs, is one that has bothered many Nobles in the past.

The following explanations are reprinted from a copy of instructions recently received from the Imperial Recorder's office.

*Salute to the Flag.* A Noble who is wearing his Fez will execute a right-hand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed he should drop his right hand. In case the same Colors pass the same point again, as frequently happens in a Ceremonial procession or in display drills, the Colors need not be saluted a second time. The same rule applies to street parades.

*Salute.* The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

*Pledge of Allegiance.* "I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation, indivisible, with Liberty and Justice for all." The Temples located in Canada and Mexico use the accepted Pledges of their respective countries.

*Prayer.* During the offering of a prayer the Fez should be removed and held in the right hand over the heart.

By NOBLE J. HOWARD MACAULAY

THE DEGREE STAFF started the fall season on Friday, September 17, with a get-together dinner that was a knock-out. The food was prepared under the capable eye of Noble Ken Painton and served by approximately ten capable Nobles. There were thirty-five members present, plenty of lobster and steak for everybody. Noble Jim Vaughan showed colored movies of our Atlantic City trip which embarrassed only very few of our boys.

In order that the boys may keep in touch with each other more conveniently, forms were issued giving the names, addresses and telephone numbers of all Degree Staff members. This is a splendid idea and makes it possible to call the boys together at a moment's notice.

Director Frank Watson assigned the boys for duty at the Shrine Circus that comes up shortly.

Ken Damon is in charge of our fund which is being built up for the purpose of having money available during our annual trips. Any member of the Degree Staff who hasn't put anything in the kitty, see Ken Damon, he will deposit it for you and turn it over to you when you need it most.

Director Watson has already planned all stunts for our big "Imperial Potentate's" Ceremonial, November 16. Watch for them, they are good!

## WE MUSTN'T SCARE MASONS AWAY FROM THE SHRINE

By DICK BROWN, Recorder  
Elf Khurafeh Temple

HOW many prospective Nobles have you literally scared out of joining the Temple?

This may seem like a rather academic question, but there has been a tendency on the part of some of our well-meaning Nobles to unintentionally misinterpret the so-called rigors of a Shrine initiation. Thus they have caused some mighty fine prospects to refuse to sign a petition for membership. This, I find, is particularly regarding "older men" from both the Scottish and York Rite bodies.

As you all know, the mind performs many queer tricks, and "kidding" a prospective candidate into thinking he is in mortal danger if he permits himself to be initiated into the Shrine has its lasting effects — mainly, that the person "kidded" shies clear of our Temple.

I sincerely believe that this innocent, but fearful, to some, attempt to scare anyone out of putting his petition in for Shrine membership should be discontinued for the good of our Order.

The sad part of this odd situation is that the majority of these dignified but timid men, even if we knew who they are, would never admit their fear of the Shrine as the result of this friendly joshing. Most of them will tell us simply that they "haven't the time to devote to Shrinedom," or they have "all the Masonry they want."

Now, we in the Shrine — including their friendly "ribbers" — want these men in our membership. Most of them are the very type who would make outstanding Shriners, and who would enjoy the fellowship and good times and philanthropic endeavors of our Order to the utmost. So, it seems to me, it behooves all of us, as good Nobles, to do everything in our power to break down this "fear resistance" which lurks in the minds of so many prominent Masons who want to be Shriners but are "afraid" of the initiation.

In the first place, no work in the second section is given to anyone who makes a special request in which he asks to be relieved of this portion of the ritual. If any candidate sincerely wishes to be excused from this work, his request is respected. Older men especially are excused.

By following this method, we feel we have done much to spread the word to eligible Masons that they need have no "fear" of what might happen to them at Shrine initiations. I wish you would help us pass the good word along to those who are desirous of joining with us, but have hesitated because of this one reason.

Anyway, let's all stop trying to throw a scare into prospective candidates. Instead, remind them that, over the years, a million men have crossed the hot sands without difficulty, and have lived to enjoy the unequalled fellowship which exists in our great and beloved order.

**H**O HUM — this has been a quite summer for the Mounted Patrol what with long spells of the inevitable hot weather and the extended vacations some members seem to be able to take.

Procrastination is a vice or virtue, depending upon how you look at it, enjoyed by the writer as well as others during the summer. You remain quiescent until notice of the deadline is received then frantically grab the telephone, call various members of the Patrol and find that having spent a good part of the summer either at the seashore or the mountains they can give you no real assistance in supplying items of general interest.

However, we certainly hope to do better next month.
